

OAK PARK HOMES ASSOCIATION

Horizontal Moveable Storage Unit

Placement Requirements

If an Oak Park Homes Association resident chooses to place an approved Horizontal Moveable Storage Unit on their property, the following must be adhered to:

- Complete and submit a Design Review form to the management company, prior to purchasing unit.
- The location of the unit shall be against a permanent structure of the home such as an exterior wall, garage, or an attached deck; fences are not considered permanent structures of the home.
- Location of the unit shall be behind the front building line of the residence and screened when viewed from the street; it shall not be overt or obtrusive in its appearance as to detract from the original character and beauty of the home or neighborhood.
- The unit shall be located on a hard flat surface as recommended by the manufacturer.

Approved units can be found on the following links:
